THE HOBBS FAMILY TREE

This book contains a portion of the Hobbs Family Tree that has been compiled to date. It is being distributed so each and every member of the Hobbs Family can offer his or her assistance by making corrections and additions. The data herein are the facts to the best of my knowledge. Please send me any corrections or additions along with an explanation of your source of information. Additions and corrections to this present book will be passed out every two years.

I call the system of presentation "the family system." Notice how each family has a separate space. Every person who is or was married is listed in two places, once as a child and once as the head of the family. Place the number of the page where you are listed as a child beside your name where you are listed as the head of a family, and vice versa; and it will make it much easier to trace your tree.

This book is divided into sections because the people who come to the Reunion, the third Sunday of August each year, are primarily interested in the tree back to the place where the three Hobbs brothers married the three Ray sisters. Each of these brothers plus their brothers and sisters start a section in this book.

Mrs Elmer Hobbs, page E-15 of this book, has been trying to establish a connection between Hanson Hobbs and some Hobbs who fought in the Revolutionary War, but she hasn't been able to establish proof as yet. Consequently, the women listed in this book will not be able to join the D. A. R. through a connection of a Hobbs. However, they will be able to join through their connection with Richard Shipley, Mary Ann Shipley's father. (Notice page #1 of appendix for further information.)

Acknowledgement

The major portion of the data within this book was compiled by James Wilkin on page E-13 of this book. He spent many years performing this task. If it had not been for his extensive efforts, we would not have this published data today. We are all deeply indebted to him for his work.

In addition to Mr. Wilkin, I wish to thank the many individuals who helped me gather information and publish this book. Following is a list of a few individuals who helped me most.

My wife, Kathleen	(Page C-30)	Helped to do everything

GENEALOGY OF RICHARD SHIPLEY, FATHER OF MARY ANN SHIPLEY.

Thomas Shipley, father of Richard, was born in England in 1670.

Richard Shipley was born in England in 1730. Educated at Leceister, England, as a Civil Engineer. Emigrated to America when about 21 years old and was employed by Lord Baltimore to survey a tract of land near Baltimore, Maryland.

Richard Shipley was married about 1758 to Christina -----
(Family name of Christina not known.)

He died in 1787 and his will was filed in Hagerstown, Maryland.

Richard and Christina had five children, as follows:

Martin Henry Shipley;	Born in 1759
Adam	1762
Nathaniel	1765
John	1772

One daughter. Name not given in will, but it was probably Mary Ann who married Hanson Hobbs. She was born August 3, 1767.

Christina Shipley died in 1773, and Richard Shipley married again and had three daughters and two sons. The name of his second wife and her children are not given.

Richard Shipley was appointed an Ensign in the 4th Company of Baltimore. Commission issued June 6, 1776.

Mrs. Esther Belle Dykes Beachy entered the D. A. R. through the record of Richard Shipley. (She was a descendent of Nathaniel Shipley)

Martin Henry Shipley (Henry Shipley) has been accepted by the D. A. R.. He enlisted in 1776, when under 18 years of age, and served until 1783. He was married to Ruth Howard, and his widow was granted a pension in Kent County, Ohio.

In a book entitled "The Shipleys of Maryland", is a statement about the marriage of Hanson Hobbs to Mary Ann Shipley. This book was published in 1938 and copyright issued to the Shipley Clan, by H. Burton Shipley, President; pages 230 to 234 give records of the families of Mary Ann Shipley Hobbs and her brothers.

Mary Ann Shipley made an affidavit that Henry Shipley was her brother. This affidavit was made to help Ruth Howard Shipley obtain a pension for the services of Henry Shipley. The original of the affidavit is in the National Archives in Washington, D. C., with the Revolutionary War Records.
